

Easter is a Christian holiday observed by most Christians. The Easter holiday celebrates the death and resurrection of Jesus and takes place after the first full moon on or after March 21st. This holiday often entails church services, family meals and Easter egg hunts and gift-giving.

Easter Fun

The doldrums of winter are almost behind us, the days are growing longer and spring is in the air. Spring, a renewal and rebirth of life, is showing signs of being close at hand. It is such a lovely time of year! The days are growing longer, nature is in full bloom, and spring fever is in the air.

With spring arrives a special Holiday and a special friend, the Easter Bunny. Children everywhere are not only looking forward to spring vacation and a long-awaited break from school schedules, but to the arrival of the Easter Bunny and the treats that are left for them on Easter morning.

My daughter, who is 3, has grasped the concept of Santa Claus, however, she hasn't learned about the Easter Bunny yet. But it won't be long! My almost 2-year old son doesn't know either but I presume it will not be long for him either.

Looking back on my childhood, Easter was special and an occasion that stays in my heart and mind. And it is with these memories that I want my children to remember their holidays with love and happiness.
