

This is a delicious and fun recipe for all those ghouls and goblins that will come trick or treating on Halloween, October 31st. Along with this cake, we suggest pairing other spooky recipes and make a party out of it!

Spooktacular Pumpkin Cake

- 1 box ready made cake mix any flavor
- 2 tubs ready made white frosting
- 3 tablespoon tinted with green food coloring
- Remainder tinted with orange food coloring.
- Candy for eyes, nose, and mouth

Preheat oven according to the directions on the cake mix box. Grease two medium oven safe bowls. Place one cupcake liner in a mini cupcake pan. Prepare the cake batter into the single mini cupcake liner. Pour the remaining batter evenly into each of the oven safe bowls. Bake according to directions making sure not to over bake the mini cupcakes. Let cool. Level off the rounded tops of cakes so they are flat. Place one of the cupcakes round side down, onto a serving plate. Spread a bit of orange frosting on the surface of this cake; and place the other cake on top so that it creates a ball. Frost the entire ball with orange icing. Frost the cupcake with green frosting. Decorate.
